Recital

Despite nature's confusion over the matter, spring is here! And with it comes the promise of new leaves, fresh blossoms, and the fruitful zest of recital preparations. The studio is in full bloom as our teachers create new splendors for the stage and we look forward to showcasing all of our dancers' effort and growth over the past year! We invite you to come CELEBRATE with us on June 11th as we take you on a tour of dance through the decades so we can marvel at the memories ten years can make!

Recital Reminders

Recital is optional so if you need to opt out for any reason, please be sure your opt out form is turned in by Friday, April 14th, to avoid being charged for a costume. Aspen

Dancer of the Month

Congratulations to Aspen Alley, our March dancer of the month! Aspen has been improving in leaps and bounds this year, gaining strength and control of movement. Her teachers have seen her challenging herself and working towards her goals and appreciate all of the effort she's giving as well as the positive attitude she brings to class, making it our good fortune to have her at NWDA. Way to go, Aspen!

Aspen has been dancing for four years and has made good friends along the way. This year, production, jazz, and lyrical are her favorite classes and she enjoys working with Miss Augga and Miss Casmir. She finds dance inspiration in Miss Abby Hau and hopes one day to be a dance teacher. When performing on stage, Aspen loves working as a team with her dance friends and seeing the audience's reaction.
