SCHOOL'S
OUT
FOR

We are so incredibly excited for our upcoming recital on Sunday, June 14th, at the Snohomish High School Performing Arts Center! We know how hard our dancers work to prepare for the big day and how hard our parents work to make that special day run smoothly so we've included some helpful reminders for all things recital-related below.

tickets

Online ticket sales are now closed but tickets will be available to purchase at the door for \$13. Cash or check only please!

Rehearsal

In order to give our families one more day together in the sun, recital rehearsal will take place before the shows on Sunday, June 14th, at 10 a.m.! The rehearsal schedule is available online!

Showtime

Shows start at 2 p.m. and 5 p.m. Sunday afternoon! Please plan to arrive stage-ready a half hour before the show starts. For your convenience, lunches, refreshments, and bouquets will be available for purchase at the venue, visit our website for more details under the Recital tab! We understand that everyone has busy schedules but please plan on staying for the duration of the show to support all of our dedicated dancers! They are so excited to share what they have accomplished and, we can assure you, the wait is worth it!

Dancer of the Month

Congratulations to Elinor, our June Dancer of the Month! Elinor's teachers are impressed with her focus and determination to give 100% in every single class. Her enthusiasm really highlights her love of dance and her caring and bubbly personality make her a joy to work with!

Elinor is turning 11 in July and has been dancing for three years. When dancing to lyrical music, Elinor says "I feel like I can do anything." She concentrates on the feeling and flow of the music and incorporates that into her movements. She encourages her fellow dancers to never stop trying: "If you want to be an athlete, you are going to fall and fail! But never, ever stop trying! You will get it some day! That also keeps me motivated. If you want to be a better dancer, don't be afraid to try something new!"

Elinor's favorite song is "Count On Me" by Bruno Mars because "It reminds me of how much I love my friends, how much they love me, how much we stand up for each other, and how much they make me feel amazing or cheer me up when I'm sad." She is currently reading The Mouse with the Question Mark Tail by Richard Peck and she enjoys language arts and math at school. When not dancing, Elinor likes to sing loudly in her room, play her flute, and she loves playing with her puppy, Mr. Bennet!
