CELEBRATE

The Final Countdown

It's hard to believe but the last month of dance is upon us! It's a great time to start thinking about supplies you will need for recital day, checking with teachers for special instructions regarding hair and makeup, and making note of important dates and details coming up. Here are a few reminders to help keep you on track.

Picture Day

Recreation and competition class photos will be taken on June 3rd. A schedule was sent via email but is also available online under the Recital tab. Plan on arriving in costume and camera-ready approximately 15 minutes early as photos often run early. Photo price lists were sent with the schedule and can also be found online under the Recital tab. Payment is by cash or check only so please plan accordingly.

Rehearsals

A brilliant performance requires dress rehearsals to help catch and resolve any unexpected issues that may arise. We have two dress rehearsals scheduled, one on June 9th at the studio and one on June 11th, recital day, at Burns Performing Arts Center. Schedules will be released soon so watch your email box!

Tickets

Ticket sales will open on May 30th. An email was sent out May 25th with info and instructions on how to purchase.

Have Fun

Recital day is always exciting and we'd like to make it as stress free as possible. Let us know if you have any questions and we will do our best to help!

Dancer of the Month

Congrats to our May dancer of the month, Shileigh Morrow! Shileigh's love of dance radiates throughout her glowing performances and her connection with the music is clear for all to see. Shileigh shows up to class ready to work but also ready to enjoy the experience and that enthusiasm helps her really embrace each lesson. Fantastic job, Shileigh!

Shileigh is 7 years old and has been dancing since she was 2-and-a-half. Learning new tricks and performing on stage "with sass and facials" are her favorite aspects of dance, and she enjoys taking lyrical with Ms. Augga and jazz with Ms. Casmir. Shileigh looks to Ms. Casmir as a role model because she likes that she used to dance and now teaches and, in the future, Shileigh hopes to be a dance teacher.
