

NWDA News

Welcome Back!

We are one month into the 2022-23 dance season and we are thrilled to be back! Spirit Week was an absolute blast with students and teachers flexing their creativity and participating in themed dress-up days. We look forward to more activities throughout the year where we can come together as a studio and have fun!

Recital Dates

As we look ahead to recital, we want to highlight a few of the important details and dates coming up. Recital at NWDA is optional, however we hope that you will join us in what promises to be a festive performance! This winter, we will have a single show at Byrnes Performing Arts Center on the evening of Friday, December 16th. Dress and tech rehearsal information will be finalized and communicated closer to the event but we expect these to take place at the studio. Tickets will be available in mid November and will be \$20 each. Photo information will be released soon.

If you choose not to have your dancer participate in recital, then your Opt Out Form will be due by Monday, October 24th. Opt-Out Forms are available at the front desk and should be turned in there as well. Costume Fees are \$70 per costume and will be charged to the card on file on Friday, October 28th. One Recital Fee per family of \$55 is due to participate and will be charged to the card on file on Friday, November 4th.

We can't wait to see the dancers on stage so we can celebrate their season of growth and hard work!

Bring-A-Friend Week

October 17-21, we will hold our Bring-A-Friend event during which dancers may bring one friend to each of their classes throughout the week and show them what makes NWDA so great!

NWDA Team Bonding Event

NWDA will be holding a Team Bonding Event for NWDA Company dancers from 5-8 p.m. on Saturday, October 22nd. Students will enjoy fun activities and find out who their dance buddies are for the year. This year we are asking that no gifts be exchanged at the initial event. The studio will be providing pizza with families contributing side dishes for a potluck-style event. A Google doc will be sent out soon for sign ups.

Don't Forget Your Water!

We'd just like to remind parents to be sure their dancer is bringing a water bottle to class. Dancing is a high energy activity and the rooms often get warm so staying hydrated is very important. The studio does have bottled water available for purchase in the studio in case a dancer forgets. In the event that a dancer needs to purchase water from the studio, please be sure to have them put their name on the clipboard so that they can have it taken off of their punch card or charged to the card on file. For questions please contact the studio via email at office@nwdanceandacro.com
